A Lions Club project for the community we serve

CELEBRATE EUGOWRA

Australia Day in Eugowra was the best day for celebrating all that is good in our Community; the location, the weather and the people that make it tick. It was a wonderful chance to acknowledge all the talents and hard work of our local people.

Thank you to Australian Ambassador Dr Sue Woolfe, Andrew Gee Member for Orange, Our Cabonne Mayor Ian Gosper, Cr Janelle Culverson and the Cabonne's Youth Ambassador Sarah Cohen for their speeches and presentation of the awards.

Congratulations to: **CITIZEN OF THE YEAR**
DUGALD WRIGHT

from the editor

Greetings and welcome to another year of Eugowra news and views. I hope everyone had a wonderful Christmas with family and friends and enjoyed the holiday break.

As I write this at my campsite on the South Coast, I listen to the happy chatter of fellow campers, the clunk of the cricket bat on the asphalt as the kids play after dinner and the surf gently rolling in in the background. Lovely sounds that I will hold in my memory as we head into another busy year.

Great to see our local Physio Nicole Brindle back on deck and contributing again to the local news items and yes I did get a colouring in book for Christmas and yes I love 'disappearing into it' for a time. The best thing I was told is that 'there are no rules for a colouring in book', so have a go and have a bit of fun with your textas!

Eugowra starts the New Year with the celebrations of Australia Day and much deserved acknowledgement of those people in our Community who pitch in and help. Congratulations to our well deserved winners and members of our community.

Thank you to the Australia Day Committee who as a sub branch of EPPA, organise the day and the Appreciation Awards.

On a sad note we farewell another few residents; Kay Shine and Pam Archer and thanks to a good suggestion we hope to have a remembrance section for those folk who have passed on but still very much a part of our lives and memories.

So another year starts again, may we all achieve some of our dreams and look forward to hearing everyone's news during the year.

Until then, be good.

COMMUNITY GROUP OF THE YEAR – EUGOWRA COMMUNITY DRIVING GROUP

At the time of nomination this group consisted of 4 members; Dora Glasson, Andrew Dent, the late Pam Archer and the late Mavis McKenzie.

For many years this group had provided an invaluable service to Eugowra dedicating their time and services as community drivers to the elderly and others who cannot transport themselves for medical and other necessary services.

EUGOWRA EVENT OF THE YEAR -

EUGOWRA APPRECIATION AWARDS

Congratulations to the following locals for their contribution to our community;

Cassie Gates

Cassie has been involved in the Eugowra community for many years.

She was President of the Eugowra Pre-School for 2 years and remained on the committee for 5 years. During her time there she was the driving force behind some important changes at the Pre-School. She was successful in having the Pre-School opened for 5 days a week and the hours extended, major renovations with the lining, heating and cooling of the rooms and was very involved in the grants application processes. Cassie is heavily involved with the Parents & Friends committee at St Joseph's school by cooking, and helping out at P&F functions. She compiled the school's cookbook and is in the process of putting together St Josephs Story book which involves every child.

The Eugowra Murals is another project Cassie has been a major contributor to by designing the information booklets on the murals and helping design and draw up some of the murals. For the last 2 years Cassie has helped with the Murals Art Exhibition by printing booklets, signs and working with the committee.

Cassie is a great asset to the Eugowra Community; Cassie and her husband Paul have a young family of 3 boys and Cassie runs her own business from home.

John Dukes

John has been an active volunteer member of the Eugowra community for more than 25 years and in that time he has been a part of the Public School P & C (President), SES where he fills the position of Deputy Control. He has attended car accidents, floods, searing for lost persons, removal of trees and many other emergency situations for over

20years. He was a member of the Eugowra pool Committee, Bowling Club Committee and an active bowls member. He has given up his time to mow lawns at the Parkes both sides of the bridge and Escort Rock. He is a member of the Eugowra Fire Brigade and over recent years help to set up, cook, pack up the EPPA BBQ for the Show and helps with the cooking of the BBQ for the Canola Cup.

If there is something happening in town, John is always a part of it and lending a helping hand.

Viv McMillan

Viv McMillan is a lifelong resident of Eugowra and has been well known for his involvement in a good many community organisations including the Show Society, Rural Transaction Centre, Masonic Lodge and lately the social group; The Men's Shed.

However today we wish to especially acknowledge Viv's commitment to the preservation and display of machinery from the bygone farming era. The results of Viv's endeavours include the restoration and inclusion in the local Historical Museum and Bushranger Centre of pieces dating back to the 1870's.

The 'Rosebank' McMillan family wagon 'Braveheart' takes pride of place in the Museum. Viv has become an active member of the Museum Committee and is well deserved of this award.

'Off the Wall Art Exhibition'

Congratulations to the Murals Art 'Off the Wall' exhibition for winning the Eugowra event of the year.

The Art exhibition attracted artists from all over the Central West. The exhibition consisted of paintings, drawings, mosaics, pottery and sculptures.

Friday night was the opening night with over 120 people attending. Over the weekend there was a steady flow of visitors to the art exhibition and Eugowra.

A small group of ladies and their husbands were responsible for the setting up of the hall, hanging and arranging the displays and packing up and cleaning.

The CWA are now the official owners of 244 Coward St Mascot, which is the new Headquarters of CWA of NSW. It is conveniently close to Mascot Airport and Mascot Railway station.

At our Christmas meeting members and friends enjoyed a very nice lunch. Shirley Heinzl bought along her traditional Mulberry Pie that she has made each Christmas for the last fifty + years. \$90 was donated to the Royal Far West Children's appeal in lieu of presents.

THE ~ SEASONAL KITCHEN ~

PAVLOVA

Our chooks have been laying like champions over the hot summer weather so recipes that use loads of eggs have been the order of the day. Pavlova topped with whipped cream and mulberries from the freezer was a holiday favourite in our house. Our family are definitely on the crunchy and chewy side of the pavlova debate, we don't like the fluffy gooey ones. Have a go at my recipe.

Ingredients:

8 large eggs

2 cups of caster sugar

1 tsp vanilla extract

Method

Preheat oven to 190 Celsius

Prepare a large baking tray covered with baking paper

Separate eggs, I use the yolks to make ice cream or custard

In a very clean bowl whisk egg whites until soft peaks form and then add the sugar a tablespoon or so at a time and beat until it is all thick and glossy. Mix in the vanilla and finally the vinegar.

Spoon onto the prepared tray and spread out, we like our Pavlova thin so make it quite large. If you like it soft and gooey pile it up!

Put in the oven and turn heat down to 150, cook for about two hours and then turn off the heat and leave in the oven to cool. When ready to serve pile whipped cream and mulberries, or fruit of your choice on the top.

What could be easier - no need to bother with those horrible commercial ones!!

Enjoy.

Community Gardeners

A big thankyou to those who so generously supported our raffle and \$100 club so that we may continue to improve the 'vista' of our great little town, and the efficiency of our labours. Karleigh Ford was the lucky winner of our beautiful Outdoor Table and David Greenhalgh won the Hamper. The \$100 club is yet to be drawn, but results will be published when we have them to hand.

We currently meet on the final Sunday morning of the month to maintain the gardens. Mid-morning we have a coffee and set the world to rights, and the more that turn up, the sooner we are done. I send out a reminder each month to those who have an email address. So feel free to join in, for whatever time you can spare, even if it's only for the coffee! Look forward to seeing you there.

A LITTLE BIT OF HISTORY

Elaine Cheney

Reading through the papers from 100 years ago.....

Thank goodness for some improvements. *We complain about the cost of the fees for sewerage discharge in the township, but from a meeting of the Boree Shire in February 1916 it was reported, by the Sanitary Inspector, that 25 sanitary pans in Eugowra were leaking. Also several residents were notified to clean out their stables and yards. The Council instructed the Inspector to further investigate the matter of the leaky pans. Supplies of Formalin would be provided for some villages including Eugowra.*

Forbes Advocate 22 January 1916. EUGOWRA. (From Our Own Correspondent).

Quite a mild sensation was caused in the town on Monday afternoon, when it was reported that a bush fire was raging within a few miles. We have not heard exactly where the fire was. On receipt of the news, Mr. Kirby immediately mounted his motor bike, and set sail for Galwary, the direction from which smoke was seen coming. When he got there, he did not seem to be any closer to the fire. Luckily there was a thunderstorm, accompanied by a heavy shower of rain through the night. Otherwise there might have been a different tale to tell.

A committee meeting of the Recruiting Association was held in the School of Arts last Saturday evening, and was well attended. According to the amount of money and provisions promised, the Boomerangs should do well whilst here. Everything is being done to see that nothing is left wanting for their entertainment. A committee meeting of the School of Arts will be held on Friday, the 28th inst. The secretary would like to see a good attendance, and he is working hard to keep the institution afloat.

Mr. Gilchrist, official organiser of the Boomerangs' route march, accompanied by Sergeant-Major Walsh, paid us a visit last Friday evening, and held a recruiting meeting, but owing to the short notice, which only arrived during the afternoon, the attendance was very small. However, their visit was not in vain, as they obtained one recruit during the evening. They left here early on Saturday morning for Goolgong, their object being to call at all the stopping places on the route that the Boomerangs will take. A big recruiting meeting will be held in the School of Arts hall on Saturday. The Boomerangs will be in attendance, and the presence of everybody is requested. Messrs Wheatley & Martel announce that they will have a buyer for war horses, transport, and artillery sorts, at Eugowra on Friday.

28th January. The weather lately has been far from pleasant. We have now had a long stretch of hot days, and the nights are very little cooler. I think Monday took the bun.

Canowindra Star and Eugowra News 25th February 1916. Messrs G & A McMillan of 'Arcadia' Eugowra have just finished bricking in a well of a similar kind to those established by the Biblical Jacob (says Forbes 'Gazette'). This well is about five feet in diameter, and exactly round. In the drift a reinforced concrete cylinder has been placed, and forms the base of the bricks with which the well is lined throughout. No filling is used with the bricks and they are placed one on the other round the well, but in the course of nature they will become hard and solid, and will remain for generations without maintenance. The drift is a good one, and a "wind engine"- the latest in windmills- throws up 4000 gallons per hour, which is utilised for direct irrigation upon a vegetable garden.

The 'Arcadia' property Ferrier Wool press is one of the latest acquisitions by the local Historical Museum and Bushranger Centre. Thanks go to Elaine Herbert (nee McMillan) and family for the donation and to our hardworking committee members and supporters for moving and cleaning the 1880s monster.

Eugowra Health Report

EUGOWRA MULTI-PURPOSE HEALTH SERVICE

Did you get a colouring book for Christmas?

Colouring used to be reserved for children and the occasional adult who got to babysit them, but recently, this activity has found a different demographic. I was amazed to read that colouring-in books were the top selling books for adults in 2015!! So lots of us have bought them and I would expect that some of us are using them. The big question is does it help?? What is the medical evidence? Is this just a popular fad, is this actually therapeutic or is it something in-between?

The Healing Power of Art

Art cannot cure disease, but it can surely make coping with it better. This goes for all forms of art and crafts – whether its music, painting, sculpture, drawing or knitting.

Art therapy is used to help people express themselves when what they're feeling is too difficult to put something into words, such as when they've faced abusive or traumatic events. It can be used for people with chronic and palliative conditions.

Everyone will be able to remember listening to a favourite song (really loud when mum wasn't around) or looking at a favourite picture/view, reading a book that takes your full attention. This is enjoying and being inspired by art which is a wonderful thing.

Colouring in works in the same way. It requires minimal skill (for most) and can be distracting and enjoyable. It allow your mood to settle, gives you time to think over a problem or situation and view it in a new way. Or it just gives you pleasure while you do it and that is a wonderful thing. As a very unskilled artist I am a very good audience I can feel very relaxed or inspired by music, books and paintings – I don't even need to do them myself.

However colouring in and other forms of art are not to be confused to "Art Therapy" that is supervised by a qualified therapist.

Drena Fagen, an art therapist and adjunct instructor at New York University's Steinhardt School, stated: "I don't consider the coloring books as art therapy, I

consider the coloring books therapeutic, which is not the same thing."

"It's like the difference between listening to music versus learning how to play an instrument," Donna Betts, president of the board of the American Art Therapy Association commented "Listening to music is something easy that everyone can do, but playing an instrument is a whole other skillset."

What's Going On When We Color?

Just because adult coloring alone may not constitute art therapy, that doesn't mean the activity isn't helpful. The inability to focus is often a symptom of anxiety or stress, it only makes sense that adult coloring books would also help with those as well. Dr. Stan Rodski, a neuropsychologist who also happens to be the author of his own line of adult coloring books, says that coloring elicits a relaxing mindset, similar to what you would achieve through meditation. Like mediation, coloring allows us to switch off our brains from other thoughts and focus on the moment. Tasks with predictable results, such as coloring or knitting, can often be calming — Rodski was even able to see the physical effects they had on our bodies by using advanced technology.

"The most amazing things occurred — we started seeing changes in heart rate, changes in brainwaves," he told the Australian Broadcasting Corporation, adding that part of this neurological response in "colorists" comes from the repetition and attention to patterns and detail associated with colouring.

Dr. Joel Pearson, a brain scientist at the University of New South Wales in Australia presented a different explanation for the therapeutic effect: Concentrating on colouring an image may facilitate the replacement of negative thoughts and images with pleasant ones.

"You have to look at the shape and size, you have to look at the edges, and you have to pick a colour," said Pearson. "It should occupy the same parts of the brain that stops any anxiety-related mental imagery happening as well. ... Anything that helps you control your attention is going to help."

So Remember

ART is wonderful, it allows us to express our feelings. It relaxes, distracts, inspires, entertains and comforts us. The world would be a very sad and boring place without it. Art Therapy is a **specialised** process of therapy that uses art to help a person deal with the psychological problems that they are experiencing. It is supervised and monitored.

Enjoy your colouring!

Eugowra Evening VIEW members, together with a large number of invited guests, enjoyed a wonderful evening at The Old Vic Inn at Canowindra for their Christmas Dinner meeting.

Following an abridged meeting and an explanation of the Learning for Life program, by President Therese Welsh, which was for the benefit of the many guests, Therese read excerpts from the letter from Robyn Perros (the outgoing National President of VIEW).

Members and their guests enjoyed a beautiful Christmas dinner and the exchange of presents with a rather complicated present game.

Members are reminded about Office works Back to School Fundraising for the Smith Family from January 1st to February 13th. Customers and staff will be encouraged to make a gold coin donation at point of sale.
